Davis added that it might be a matter of testing unless its expired that it may be a longer process. Brent would be checking on the process. Neitzke questioned if he would come on as a lineman or wastewater. Davis responded that Varpness would like him to be the head of the waste water department. Kelley asked what position are we offering to him? Davis responded that if we offered the waste water position it would start at \$29.00 and go up to \$31.29 after 6 months. Kelley questioned if that was the union rate that was just negotiated. Davis advised it was.
