Absent: Hendricksen, Nickerson

1. THE PURPOSE OF THIS MEETING IS TO DICUSS MAINTAINING THE FRONTAGE ROAD NEAR PROFINUM BANK AND MARTIN COUNTY REPAIR.

The city has been in contact with a developer and Dennis Rode in regards to the frontage road near Profinum Bank & Martin County Repair. The road is currently privately owned by Mr. Rode who is in the process of selling the building and land. The frontage road currently serves Profinum Bank, Martin County Repair shop and Voyles filter shop. Rode was concerned that if the road was sold to private parties they may decide to close off access to the other business that currently use it. Therefore he would like the city to maintain it for that reason.

A motion was made by Mosloski, seconded by Ebert to approve of the city maintain the frontage road. All yeas - carried.

10. ADJOURN

A motion was made by Mosloski, seconded by Ebert to adjourn. All yeas - carried. Time: 5:43 p.m.
